

# Director's Profiles

Established in Western Australia in 1975, EBM has since grown to become one of Australia's premier insurance broking firms, with a network of offices throughout the nation.

The EBM team is drawn from a group of widely experienced and highly qualified people, and all of our senior brokers are Qualified Practising Insurance Brokers with decades of experience in Australia and internationally. There are a number of areas of specialisation within the company so that clients with highly specific requirements can be assured that they are dealing with brokers well versed in their industry or business.
