Important Information

Insurer

The Policy is underwritten by QBE Insurance (Australia) Limited, ABN 78 003 191 035, AFS Licence No. 239545 of 82 Pitt Street, Sydney.

Information about your Policy

This is the Policy wording. It tells you

- what the Policy covers,
- what the Policy does not cover,
- how to make a claim,
- what excesses apply, and
- other terms and conditions.

Details of the insurance which are personal to you are shown on the Schedule, which we send to you with the Policy wording.

The date when your insurance cover begins and ends is particularly important.

Please read this Policy carefully and retain it in a safe place.

How Goods and Services Tax affects any payments we make

The amount of premium payable by you for this policy includes an amount on account of the GST on the premium.

When we pay a claim, your GST status will determine the amount we pay.

When you are:

- (a) not registered for GST, the amount we pay is the sum insured/limit of indemnity or the other limits of insurance cover including GST.
- (b) registered for GST, we will pay the sum insured/limit of indemnity or the other limits of insurance and where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a Damaged item insured under the Policy) we will pay for the GST amount.

We will reduce the GST amount we pay for by the amount of any input tax credits to which you are or would be entitled if you made a relevant acquisition. In these circumstances, the Input Tax Credit may be claimable through your Business Activity Statement (BAS).

You must advise us of your correct Australian Business Number & Taxable Percentage.

Any GST liability arising from your incorrect advice is payable by you.

Where the settlement of your claim is less than the sum insured/limit of indemnity or the other limits of insurance cover, we will only pay an amount for GST (less your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover your loss, we will only pay the GST relating to our settlement of the claim.

We will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by any business of yours which is relevant to your claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 and related legislation as amended from time to time.

Taxable Percentage is your entitlement to an Input Tax Credit on your premium as a percentage of the total GST on that premium.

Duty of Disclosure – What you must tell us

Under the Insurance Contracts Act 1984 (the Act), you have a Duty of Disclosure. You are required before you enter into, renew, vary, extend or reinstate your Policy, to tell us everything you know and that a reasonable person in the circumstances could be expected to know, is a matter that is relevant to our decision whether to insure you, and anyone else to be insured under the Policy, and if so, on what terms.

- **You do not have to tell us about any matter**
 - that diminishes the risk
 - that is of common knowledge
 - that we know or should know in the ordinary course of our business as an insurer, or
 - which we indicate we do not want to know.
- **If you do not tell us**

If you do not comply with your Duty of Disclosure we may reduce or refuse to pay a claim or cancel your Policy. If your non-disclosure is fraudulent we may treat this Policy as never having worked.

Evidence of value

Please retain receipts of purchase or proof of the value of all property insured by this Policy so that you can prove the amount of any loss if you have to claim under this Policy.

Cooling-off Information

If you want to return your insurance after your decision to buy it, you may cancel it and receive a full refund. To do this you may notify your Financial Services Provider electronically or in writing within 21 days from the date the Policy commenced.

This cooling-off right does not apply if you have made or are entitled to make a claim. Even after the cooling-off period ends, you still have cancellation rights however your Financial Services Provider may deduct certain amounts from any refund for administration costs or any non-refundable taxes.

If your Policy is for an event that will start and finish within the 21 day cooling-off period, you can only exercise your right before the event starts or the expiry of the cooling-off period, whichever is the earlier. For example, for travel insurance, the commencement of the journey is the event.
