

TradesPlusCover

It's important that your insurance is watertight

TradesPlusCover policies have been designed to provide a high level of protection for plumbers at a low cost, with the option of Broadform Liability (\$10m and \$20m) and/or cover for your tools, plant and equipment.

Liability

- Cover for your contractors and sub-contractors whilst performing work for you
- Automatic principals cover (vicarious only)
- Property in physical and legal control up to \$250,000
- No welding or hot works conditions
- Excavation up to 10 metres in depth, without referral
- No vibration, removal or weakening of supports limitations or exclusions
- Damage to underground property included

Tools & Equipment

- Cover for tools, plant and equipment against accidental loss or damage
- Cover for tools, plant and equipment if stolen from an unlocked building or vehicle
- No need to specify each and every item under \$5,000 in value
- Loss of records covered up to \$10,000

Claim Examples

Liability

Jim's apprentice fixed a leaking tap in a residential property. Hours later the owners came home to a flooded house and warped floor boards. Jim had to pay for the damage which he claimed with EBM.

Liability

Emily was dismantling laboratory piping at a university when she inadvertently spilled a chemical. The result was building-wide contamination. Emily lodged a claim with EBM and the spill clean up costs were covered.

Tools & Equipment

Dave left his equipment at a worksite overnight and discovered the next morning that they had been stolen. Despite the worksite not being locked or secured he received the full \$5,000 minus his policy excess in return.

Tools & Equipment

Jamie is completing a job at a large event when a storm hits damaging all of his electrical equipment. Jamie lodges a claim with EBM for \$20,000 to replace his damaged equipment.
